- (a) on or before 31-03-2020, if the sustained deviation from schedule continues for 12 time blocks, the State Entity (buyer or seller), shall correct its position either by changing the sign of its deviation from schedule or by restricting the sustained deviation to the permissible limits as specified in Table-3 below with reference to its schedule for the time block to be reckoned for violation, at least once, latest by 13th time block.

Table-3

Maximum permissible limits for Sustained Deviation from Schedule

Sl. No.	Schedule for relevant time block to be reckoned for violation	Maximum permissible limits (in one direction of sustained deviation) in MW
1.	Up to 10 MW	0.5
2.	Upto 25MW	1.0
3.	Upto 100MW	2.00
4.	Above 100 MW	10.00

Provided that each violation of the requirement under this clause shall attract an additional charge of 10% on the time block DSM payable/receivable as the case may be;

- (b) on or after 01-04-2020, if the sustained deviation from schedule continues for 6 time blocks, the State Entity (buyer or seller), shall correct its position, either by changing the sign of its deviation from schedule or by restricting the sustained deviation to the permissible limits as specified in Table-3 above with reference to its schedule for the time block to be reckoned for violation, at least once, latest by 7th time block:

Provided that violation of the requirement under this clause shall attract an additional charge as specified in the table-4 below:

Table-4

Additional Charge for Violation in Sustained Deviation from Schedule :

No. of Violation in a Day	Additional Charge Payable
From first to fifth violation	For each violation, an additional charge @ 3% of daily base DSM payable/receivable.
From sixth to tenth violation	For each violation, an additional charge @ 5% of daily base DSM payable/receivable.
From eleventh violation onwards	For each violation, an additional charge @ 10% of daily base DSM payable/receivable.

Provided further that counting of number of sign change violations under clauses (a) & (b) of this Regulation shall start afresh at 00.00 Hrs. for each day:

Provided further also that payment of additional charge for failure to adhere to sign change requirement as specified under clauses (a) & (b) of this regulation shall not be applicable to—

- (i) any infirm injection of power by a generating station prior to CoD of a unit during testing and commissioning activities, in accordance with the Connectivity Regulations; and
- (ii) any drawal of power by a generating station for the start-up activities of a unit.

Explanation.—For the purpose of this Regulation, sustained deviation means continuous deviation outside the maximum permissible limit as specified in Table-3 above, such range being a subset of the volume limit as specified in sub-regulations (1) and (2) of regulation 8. In other words, if the deviation is brought within the range as specified in Table-3 or it remains within the range specified in Table-3, it will not be considered as sustained deviation, even if the change in sign of deviation has not taken place.

Illustrations:—

- (i) **Illustration to clause (a) of this regulation.**—A State Entity having a sustained deviation from time blocks t1 to t12, should correct its position either by changing the sign of its deviation (from positive to negative or negative to positive as the case may be) or come back in the permissible limits as specified in Table-3 above with reference to its schedule latest in the end of time block t13. In case, such sign change does not

take place or it fails to come back in the range as specified in Table-3 above in the end of time block t13, but such correction of position takes place from time block t14 up to time block t24, then the additional charge shall be levied equivalent to one violation. The above violation shall attract an additional charge at the rate of 10% of the time block DSM for t13. Further, in case, sign change does not take place or it fails to come back to the range as aforesaid even latest in the end of t25, but correction of position takes place from time block t26 up to time block t36, then the additional charge shall be levied equivalent to two violations. The above violation shall attract an additional charge at the rate of 10% of the time block DSM for t13 & t25, and so on.

- (ii) **Illustration to clause (b) of this regulation.**—On or after 01-04-2020, if a State Entity having a sustained deviation from time blocks t1 to t7, should correct its position either by changing the sign of its deviation (from positive to negative or negative to positive as the case may be) or come back in the range as specified in Table-3 above with reference to its schedule latest in the end of time block t7. In case, such sign change does not take place or it fails to come back in the aforesaid range in the end of time block t7, but such correction of position takes place from time block t8 up to time block t12, then additional charge shall be levied equivalent to one violation. Further, in case, sign change does not take place or it fails to come back in the range as aforesaid latest in the end of t13, but correction in position takes place from time block t14 up to time block t18, then the additional charge shall be levied for two violations and so on.

The additional charge shall be at the rate as specified in Table-4 above of this Regulation.

- (iii) In case the State Entity effects change in the sign of its deviation from the schedule, or otherwise restricts the deviation to the permissible limit as per Table-3, before the expiry of latest time block in which it was required to do so, the violations, if any, for the remaining period of the day shall be counted with reference to the time block in which it has actually complied the said requirement prior to the expiry of that time block.
- (iv) The additional charge as per this regulation shall be computed on the sum total of the mode values (*i.e.* by ignoring the sign) of the amount payable and receivable for that day under regulation 7.”.

8. Amendment of regulation 10.—(i) For sub-regulation (1), the following shall be substituted, namely:—

“(1) Charges for Deviation under regulation 7 and the additional charges for Deviation under sub-regulations (1), (2) and (3) of regulation 9 and those under regulation 9A shall be levied without prejudice to any action that may be considered appropriate by the Commission under Section 142 of the Act for contravention of the provisions of these Regulations .”;

(ii) in sub-regulation (3), for the words, sign and figures “when grid frequency was “49.70Hz and above” and “below 49.70 Hz” separately.”, the following shall be substituted, namely :—

“when grid frequency was “49.85Hz and above” and “below 49.85 Hz” separately. The SLDC shall also upload the details of DSM account and the status of amounts received/paid as well as the interest payable/ receivable against each bill on regular basis.”;

9. Amendment of regulation 12.—For clause (ii) of sub-regulation (1), the following shall be substituted, namely :—

“in case for any day, the amount payable by various State Entities separately on account of charges under regulation 7 or regulation 9 or regulation 9A falls short of the total amount payable for that day for the State as a whole on account of the corresponding charges under the respective regulations as per the bill(s) raised by NRLDC/NRPC, the amount(s) payable, for that day, by the concerned State Entity(ies) against such charges under respective regulations shall be increased proportionately (*i.e.* in proportion to the sum total of the mode values of the amount payable and receivable separately under each of the said regulation) so as to cover up such shortfall for that day fully separately in respect of each of such charges;”

Explanation.—The proportionate increase on these lines shall be carried out on daily basis only *i.e.* separately for each day and separately for the charges under each of the said regulation, even though the bills are otherwise to be raised on weekly basis.”.

10. Amendment of regulation 14.—(i) In sub-regulation (2)—

- (a) for the words, sign and figures “two days, *i.e.*, beyond Nine (9) days”, the words, sign and figures “one day, *i.e.*, beyond Eight (8) days” shall be substituted;

(ii) in clause (i) of the proviso under sub-regulation (3), for the words and figures “beyond 9 days”, the words, sign and figures “beyond 8 days” shall be substituted;

(iii) in sub-regulation (6), for the words, figures “9 days”, the words, figures “8 days” shall be substituted.

(iv) after sub-regulation (6), the following sub-regulation (7) shall be inserted, namely:—

“(7) In case a State Entity defaults in making payment of a weekly bill, whether directly or through LC, by more than 30 days beyond the due date, the HPSLDC, in order to recover the dues, may, apart from invoking the provisions made elsewhere in these regulations, also suitably curtail the schedule for the defaulting State Entity, by way of withholding NOC/concurrence or any other appropriate means, after giving a notice of 30 days to such defaulting State Entity and may also continue such curtailment till the entire updated outstanding amount, including interest also, is paid by that defaulting State Entity and the requisite letter of credit, as per the requirement of sub-regulation (5) of this regulation is also opened and made operative.”
